Origami™ Mix

- Bred for first-year blooming; uniform, compact and floriferous—use as an annual or perennial for added sales opportunities
- Minimal vernalization (14-21 days / 40-50 °F)—great for southern growers and bedding plant specialists
- Versatile! Plants are naturally proportional to the pot size
- Awards: Greenhouse Grower, Medal of Excellence for Breeding

USDA ZONE: 4

VERNALIZATION: Beneficial

EXPOSURE: Shade / Part Sun

PRODUCT FORM: Raw

CONTAINER SIZE: Jumbos, 6"

PLANT HEIGHT: 14–16"

COLORS/MIXES: 5/1

Origami™ Yellow
